

Taiwan Initiatives – A Collaborative effort led by God’s Spirit

Missionary Prayer Letter

November – December 2023

Kenneth Law

Over the past two months, we have made further progress in collaborating with our Taiwan partner churches on bilingual (English and Mandarin) church planting. This church planting project was initiated several years ago by four EFC (Evangelical Free Church) denominations, including Hong Kong, USA, Singapore and Malaysia.

Each of our Taiwan partner churches is ready to provide a Mandarin speaking pastor for the new bilingual church. They also suggest that the new church should be led by the English pastor/missionary provided by us. This lead English pastor should possess the following experience and qualifications:

- 1 Speaks native English
- 2 Experienced in preaching and pastoring
- 3 Good leadership skills
- 4 Some secular work experience

We will provide one lead English pastor for each partner church. We also hope to plant our own bilingual churches. Hence we are recruiting at least several lead English pastors. In addition, we are looking for “tent maker” missionaries who are skilled in discipleship training, counselling, administration, etc.

As for the funds required for this project, each missionary is responsible for raising his/her support. In addition, we have established a “common pool” fund to cover expenditure associated with rent, renovation, equipment and operation expenses. Since I have been appointed the Executive Director for this project, I am also sharing the responsibility for this common-pool fund raising.

Prayer Items

- 1 Pray that the Lord will raise the workers for this project – Lead English pastors/missionaries as well as missionaries skilled in disciples training, counselling, administration, etc.
- 2 Pray that the Lord will provide the fund needed by each missionary, as well as the “common pool” fund mentioned above. The annual fund raising target for Hong Kong is \$1.8 MM (HKD).
- 3 Pray that the Lord will grant Vania and myself the health and energy required to carry out our responsibilities.
- 4 Pray for the revival of the church in Taiwan.
