### Multi-National Taiwan Mission Project

During our most recent trip to Taiwan (April 25 – May 3), my wife Vania and I visited several churches and two seminaries. We had very good fellowship with Taiwanese church leaders about our mission plan. Praise the Lord!

This mission project was initiated by four EFC (Evangelical Free Church) denominations, including Hong Kong, USA, Singapore and Malaysia. Our plan is to cooperate with Taiwanese churches to plant bilingual churches (English and Mandarin) at suitable locations in Taiwan. We are also open to planting our own bilingual churches at locations where local partner churches are not available.

Several Taiwanese churches are eager to partner with us on this project. Two missionary families from USA plan to join our project. They will visit our Taiwanese partner churches this July. The missionaries are presently undertaking training and fund raising, and are expected to relocate to Taiwan in the first part of 2025. Vania and I plan to move to Taiwan this coming September.

This mission project requires lead English pastors/missionaries as well as missionaries skilled in disciples training, counselling, administration, etc. In addition to each missionary being responsible for raising his/her financial support, we have established a “common pool” fund to cover expenditures associated with rent, renovation, registration and equipment expenses. Since I have been appointed as the Executive Director for this project, I am also sharing the responsibility for this common-pool fund raising. The annual fund raising target for Hong Kong is \$1.8 MM (HKD).
