Taiwan Initiatives – A Collaborative effort led by God’s Spirit

Missionary Prayer Letter Jan – Feb 2024

I am glad to report that several missionaries in USA have applied to join our multi-national Taiwan mission project. They are undertaking training and fund raising, and are expected to arrive at Taiwan in January, 2025. My wife Vania and I plan to relocate to Taiwan this coming September.

Over the next several months

I will be visiting USA, Taiwan and South East Asia, to continue our recruiting work, as well as liaising with the local churches.

Multi-national Taiwan mission project

This multi-national Taiwan mission project was initiated by four EFC (Evangelical Free Church) denominations, including Hong Kong, USA, Singapore and Malaysia.

Bilingual churches (English and Mandarin)

Our plan is to cooperate with local Taiwanese churches to plant bilingual churches (English and Mandarin) at suitable locations in Taiwan. We are also open to planting our own bilingual churches at locations where local partner churches are not available. This mission project requires lead English pastors/missionaries as well as missionaries skilled in disciples training, counselling, administration, etc.

Fund raising

In addition to each missionary being responsible for raising his/her support, we have established a “common pool” fund to cover expenditures associated with rent, renovation and equipment expenses. Since I have been appointed as the Executive Director for this project, I am also sharing the responsibility for this common-pool fund raising. The annual fund raising target for Hong Kong is \$1.8 MM (HKD).
